Scope and Content

The 1989 Neptune Plaza Concert Series Collection consists of manuscript and print materials, audio recordings, and graphic materials that document the 1989 concert series sponsored by the American Folklife Center. The annual series, which began in 1977, features the presentation of folk traditions from many cultures. The concerts take place on the Neptune Plaza at the front of the Jefferson Building of the Library of Congress between April and September. Adverse weather conditions sometimes force the concerts indoors. The 1989 series was produced with the assistance of the National Council for the Traditional Arts. Concerts were broadcast live on WAMU-FM, hosted by Dick Spottswood.

The 1989 season consisted of the following:

Date	Performers	Place of Origin	Subject
April 20	Quebec Traditional Music and Dance	Canada	French-Canadian music and dance
May 18	Eddie Blazonczyk and the Versatones	Illinois	Polish-style polka
June 15	Greg Hooven and the Backstep Band	Virginia	Old-time music
