Revised 2016 January

Collection Summary

Title: Edison Sheet Music Collection

Span Dates: 1830-1958

Bulk Dates: (bulk 1890-1940)

Call No.: ML31.E3

Collector: Thomas A. Edison, Inc.

Extent: circa 13,000 items

Extent: 148 containers

Extent: 444 linear feet

Language: Collection material in English

Location: Music Division, Library of Congress, Washington, D.C.

LC Catalog record: <https://lccn.loc.gov/2002604960>

Summary: The collection consists chiefly of American sheet music published in the United States between the years 1830-1930. While a significant minority of the music in the collection is instrumental music, the vast majority is for voice and piano. Notable in this collection are imprints from California dating from before 1850, first editions by Irving Berlin and others, and many European imprints among the instrumental pieces.

Online Content: Digitized images of Edison sheet music are available via links from this finding aid.

Organizations

Thomas A. Edison, Inc.

Subjects

Dance music--United States.
Instrumental music.
Popular music--United States.
Songs with piano.

Provenance

The Edison Foundation has at various times donated items to the Library, most notably films. It would then follow that the Foundation donated the collection to the Library of Congress, though, when is still unknown.

Accruals

No further accruals are expected.

Processing History

The Edison Sheet Music Collection was processed by Michael A. Ferrando under the direction of Lloyd Pinchback in 1997 using Procite database software. The database underwent further editing in 2001-2002 in order to prepare it for the EAD version of the finding aid.

Copyright Status

The status of copyright on the materials of the Edison Sheet Music Collection is governed by the Copyright Law of the United States (Title 17, U.S.C.).

Access and Restrictions

The Edison Sheet Music Collection is open to research. Restrictions apply concerning the use, photoduplication, or publication of items in this collection; consult a reference librarian for information concerning these restrictions.

Researchers are advised to contact the Performing Arts Reading Room prior to visiting. Many collections are stored off-site and advance notice is needed to retrieve these items for research use.

Online Content

Digitized images of Edison sheet music are available via links from this finding aid.

Preferred Citation

Researchers wishing to cite this collection should include the following information: container number, Edison Sheet Music Collection, Music Division, Library of Congress, Washington, D.C.

The Collector

The Edison Sheet Music Collection appears to be the music library of the recording division of Thomas A. Edison, Inc. and/or its predecessor, the National Phonograph Co. Its purpose is assumed to be to provide Edison's recording artists with music for recording sessions.

Scope and Content Note

The Edison Sheet Music Collection consists chiefly of American sheet music published in the United States between the years 1830-1930. While a significant minority of the music in the collection is instrumental music, the vast majority is for voice and piano. Notable in this collection are imprints from California dating from before 1850, first editions by Irving Berlin and others, and many European imprints among the instrumental pieces.

Organization of the Edison Sheet Music Collection
